### **OLIVER, FINNIE & CO**

### LOCAL PARAGRAPHS.

-Yesterday was another sub-equatorial day, the heat being intense. -The second ward is now

Democratic ward of the city. -The Shelby county medical society meets to night, at eight o'clock sharp. -The Second street bayou bridge in North Memphis is approaching completion.

-Additional subscriptions are being rapidly made to the fund of the citizens' sanitary

-There were no cases of sunstroke yesterday, notwithstanding the intense heat. Many citizens, however, complained of headache an l prostration.

-A fishing party, comprising a number of young gentlemen and ladies from Chelsea, left the city yesterday on a fishing excursion to Horn Lake, Mississippi. -The educational board will meet Mon-

day night, when the salary question and the high school question will be again considered from a financial standpoint.

-Nice strings of fish—white perch—are brought to the city, daily, from Hopefield lake, by colored fishermen. The fish find terror of vessels. When the poison finds lodgready sale among our citizens.

-The Bartlett circuit court, Judge Ray presiding, continues in session, notwithstand ing the hot weather. The wheels of justice move on in the country as usual. -The Nationalists of the city have the

stroke thoroughly. He advised "Ophelia," the daughter of old "Polonius" not to go out in the sun, but to keep in the shade of a convent wall.

-All of our courts of record have been sun struck since before the late election. No court is in session at present. The criminal court stands adjourned over to the twentyeighth instant. -Up to last night no case of yellow-fever

was reported to our board of health by physicians or others. This is gratifying news. Memphis is being rapidly put in a fine sanitary condition.

gauntlet of applicants for positions under them. Who will be so and so's clerks or deputies, is a question often asked, but not geat" known, or the true use of raspberry often answered.

received several cuts and bruises. —The Chickasaw Guards and Bluff City drays will soon commence sleeping in their that "they manage these things better in

respective armories and engage in regular drills, preparatory for the competitive drill to come off at St. Louis next month.

man, State senators and representatives. The andidates are already coming to the front, and are becoming more numerous as time wears away and the election approaches in the ides of November. -A citizen received a letter from a friend

at New Orleans, yesterday, in which it was stated that the cases of yellow-fever were inreasing rapidly in that city, and that the papers did not report one-half the number of deaths occurring. The gentleman is a mem-ber of a relief committee of a society, and is n a position to know what he is writing

night. Admission fifty cents.

-The Nationalists have discovered that a copy of the engraved plate from which their ticket was struck off had been made by their engraver and disposed of to somebody, and from which bogus tickets had been made. There is a row in the National camp over the the discovery, since they paid about one hundred and fifty dellars for the engraved plate. dred and fifty dollars for the engraved plate looks and secresy as to it.

change, is busily engaged preparing his fifth annual circular and chart, showing the movement, prices, etc., of cotton in Memphis, throughout the United States, and at Liverpool for the past year. The statement wil be issued, as usual, on September 1st, and will be replete with valuable information to planters, tactors and buyers of cotton. -Dr. R. F. Brown, secretary of the board of health, made the following report to the board yesterday, for the month of July: Total number of deaths for the month, 156; whites, 70; blacks, 86; number of indigent sick treated at the city dispensary, 584; number of prescriptions put up, 800; average cost of each, 5 3-16 cents; total cost of board, ncluding salaries and drugs for city dispen-

sary, disinfectants, etc., \$2200. -The yellow-fever is believed to have been much more fatal at New Orleans than has been reported. Private letters from that city 100 bris New Self-Rising-Best ... 7 50 authoritatively state that not more than one 34-brls New Self-Rising-Best ... 4 00 third of the number of deaths up to date have been reported by the board of health and press of that city. The embargo placed on the press as to reporting new cases and deaths by the president of the health board

25 of New Orleans confirms this belief. -Yesterday morning Colonel Martin Griffin, of the German national bank, was out driving a horse and buggy around the track at Olympic park. A projecting plank in the fence struck his buggy, overturning it and throwing Colonel Griffin to the ground. The fall dislocated his right shoulder. He recovered rapidly, drove to town, had his shoulder put back into place by a physician, and repairing to the bank went on with his business as usual

-The Democratic majorities in Anderson —The Democratic majorities in Anderson county, Tennessee range from 222 to 804; in Blount, 341 to 455; in Campbell, 897; in Greene, 80; in Sullivan, 350; in Roane, 860; in Haywood, 600; in Tipton, 2840; in Davidson, 1212. In some counties a few Republicans and Independents slipped in. It was only in Shelby county that the Nationalists succeeded, and this was done by uniting with the colored Republicans and a number of discordant and dissatisfied elements of different ordant and dissatisfied elements of different

-The building of the elevator at the foot of Washington street by the merchants of the of Dooley's yeast powder is the best evidence city will bring about the erection of the long- of its worth. Whenever you want a light, considered and talked-of Union freight and passenger depot in the same locality, and in which will center the Louisville, Charleston, Mississippi and Tennessee, Little Rock, and Paducah railroads. These projected and prospective improvements are subjects for constant along the residents of North. Whenever you want a right, white, sweet biscuit, delicious pot-pie, elegant cake, or a choice pudding. Dooley's baking-power should be used. Perfect purity and absolute full weight are the watch-words of the manufacturers.

THE tonic, quinine, is peculiarly beneficial gratulation among the residents of North demphis, who, since the war, have seen trade and commerce pass away from that end of

the city to more central and southern loca tions. —Several passengers from New Orleans have been at Grenada, Mississippi, for sev--There was a temperance meeting held eral days, en route for Arkansas and Texas, fast night, at the usual place, on Union street via Memphis. They were informed at Grenada that if they came to Memphis they -Numbers of Memphians are congregated on the hills of Raleigh or are drinking the waters down in the valley.

would certainly subject themselves to arrest, fine and detention at quarantine. They are watched, and should they start for Memphis a telegram will be sent ahead of them announcing the fact. The authorities of our city will enforce the penalties for breaking

brough the quarantine. We advise people rom New Orleans to keep away from Memphis if they desire to avoid trouble. -Dr. Woodward, surgeon-general of the narine hospital service, who, by law, has uthority over all quarantine in the United States, says that yellow-fever is not communicated from a sick person to a well person. The poison is conveyed in clothing or baggage, especially if confined in trunks or large the price places of the lirst of September they will open their new store, corner Main and Madison, with an entirely new stock. Call and get good states, says that yellow-fever is not commu-

ment in a boat, a house or a locality they become centers of infection, which tend to spread in every direction if on land. "Quarantine by land, beyond disinfecting clothing or the effects of passengers," says Dr. Woodward, "is, in my opinion, impracticable, if cheek to claim that they intend to elect a governor, in the face of sixty thousand Democratic majority throughout the State.

The board of health coros is busily engaged in cleansing the guiters, streets and alleys, and disinfecting premises. Relie of the Memphis Gunboat Fight In June, 1862, the gunboat fight in front of Memphis took place. When the Federal and Confederate gunboats commenced fighting, a solid shot or shell from a Federal gunboat passed screaming over the city and buried itself in the yard of the Charleston railroad depot, near the spring, which is about half a mile from the river. The employes of the Charleston railroad shops made several attempts at the time to discover the missile, but failed. Yesterday, in cutting a dich to drain the spring, the missile was discovered some four feet beneath the surface somewhat rusty, but even yet it would do good service it properly fired from a gun—say, across the Rio Grande at Mexi-
